

May 14, 2018

Dear Third Grade Parents and Students,

Reminders:

State in the Box: We work on making our boxes tomorrow and they will be on display until next Wednesday. Please come check them out!

Field Day Permission Slip: The permission slip will come home with your child today and is due by Friday.

Talent Show: Our annual talent show is this Friday in the gym! The theme this year is **Beach Vacation**. All HRS students can wear free dress in this theme. Flip-flops are okay to wear too. We are excited to see everyone perform!

50 States Test A study guide for the 50 states test will come home this week. **The test will be Friday, June 1st.** The test will include all 50 states and abbreviations.

Multiplication and division Progress Report: I will be sending home a sheet of paper today (yellow) that says what facts your child still needs to pass. If they have passed all of their facts, they will not receive a sheet. Thanks for continuing to help your child study!

Bake Sale: The annual 4th Grade Charity Bake Sale will take place this Thursday, May 17th. If your child would like to purchase baked goods, please have them bring money on Thursday. (Items will cost between \$.25-\$1.00). Thank you for your support!

This week we will be:

Reading: We continue reading Ramona Quimby. This week we read chapter 6 and 7. We focus on character traits.

Math: We continue to work on geometry. This week we learn about the different attributes of quadrilaterals and use geoboards to identify them. ***Also the perimeter and area assessment we took last week will also be coming home with your child tonight.***

Religion: Religion: We will wrap up our activity on Mary. Students will start learning about the Book of Acts and Church Leaders.

Science: This week students will begin to wrap up our unit on magnetism and transportation engineers. Students will reflect on their maglev train construction and group work.

Project Lead the Way: This week students will begin the module project called "Sweep the Grid." In Scratch Jr., students will work on designing and programming an algorithm to solve the problem given.

Language Arts: We use our language arts time to work on our book reports.

Social Studies: Students make their State-in-the-box and take tours of each others projects.

Spelling: Homework is due on Thursday and the test is on Friday.
