BOGO Book Fair:

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love of reading:

****Set the example.** Let children see you read.

****Have a collection of books in your home.** Update this collection routinely to keep up with changing tastes and reading skills.

****Support our school's Book Fair.** Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our BOGO Book Fair this Spring.
