

Culture Grams Information for State Project

1. Go to : <http://online.culturegrams.com>

2. Enter the following:

username : ar121hrsea

password: culture

**kids please write this username and password down where you won't lose it😊

3. Choose **states edition**

4. Choose a state to explore

Once you are in a state you will see a side bar that looks like this (to the right). If you are on your iPad you will need to hold it the landscape way in order to see the side bar. Then click on the different sections to learn about the state.

The Place
