Multiple Meaning Words

Choose 2 multiple meaning words from the box and draw a picture of their 2 meanings. Then use them in 2 sentences.

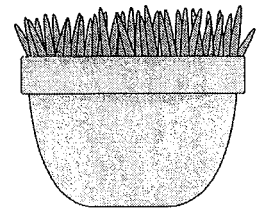

light	right	yard
stick	fan	roll
play	duck	bark

A CLASSROOM CONVERSATION FOR The Harvest Birds

Name _____ Date _____

1. What does *The Harvest Birds* tell you about life?

2. What do the townspeople learn about Juan?

3. How does Juan teach readers about the importance of following a dream? Do you agree with Juan's point of view? Explain.

Bonus: On page 296 the author writes, "I learned to listen to the voice of nature." How does the author make nature seem like a person? What do these words mean?

STORY COMPREHENSION OF THE HARVEST BIRDS

Name _____ Date _____

There once lived a young man named Juan Zanate. He wanted to _____. When his father died, the land was divided between his two older brothers. Juan had to go to work in the shops of the town.

He went to see Don Tobias to _____ a piece of his land, but Don and his wife laughed at him. Juan went to _____ where a flock of zanate birds lived.

Juan went to Grandpa Chon for _____ and asked for a piece of his land. The old man agreed, but if Juan failed, he would have to _____.

Juan went to town to share his news, but they only _____. Juan didn't let them stop him. He went to work on his land. As he worked, the _____ watched over him.

Juan worked to get seeds to plant, and gave the leftovers to the birds. Days passed, and tiny plants and weeds appeared. The zanates told him to _____. The other farmers laughed.

Everyone was _____ when Juan arrived in town after the harvest. He had corn, squashes, and beans. He told them he listened to the voice of _____. They wanted to know his secret. Juan sold the crops at an excellent price, and happily returned to his own little patch of land.
