This lesson has to do with Book Titles and how to write them properly. Please complete the front and back page. This is a quick activity that students should be able to do independently.</p> <p>Unfortunately, I am not able to put this on the webpage.</p>	Please save for later assessment.
Reading	See Monday for learning targets	<p>Wednesday: Reread the story. Students will SILENTLY read the selection. As they read or afterward, they can complete front and back of the packet for comprehension.</p> <p>20 minutes silent reading: read a chapter book of your choice for at least 20 min and record it in your reading log.</p>	PLEASE SAVE THESE completed packets, as they will be used to assess your comprehension of the text.
Math	3.MD.1 Tell time to the nearest minute and use addition and subtraction to solve elapsed time word problems	<p>Complete the second half of the worksheet from yesterday</p> <p>** If you don't have a printer, students can still solve and copy the chart onto another sheet of paper. We have been working on elapsed time for few days and students know that it is VERY HELPFUL to make a number line to help them solve. They know how to do this.</p> <p>Here is a link to an analog clock they can use to help them with this: https://www.roomrecess.com/Tools/InteractiveClock/play.html</p>	I have attached the answer key to the website. Please check your child's answers and review any mistakes that were made.

Religion	<p>Identify the Holy Trinity in the Apostles Creed. (3-KF-T)</p> <p>Pray the Creed as a profession of our Church beliefs. (3-KF-T)</p>	<p>1. Continue practicing the Apostles Creed and write it out 2 times to help with memorization.</p> <p>2. Find the Apostles Creed Illustration Activity link on the 3b Webpage. You will then either print it or if you don't have a printer, then you can copy it onto white paper. Each page has two parts of the prayer that you will read and then think of any appropriate illustration to go along with it. Sketch your illustration in the blank space below the words and then color it nicely. You will start this today and then finish it on Friday.</p>	<p>Will be assessed on memorization when we return to school.</p> <p>Keep your illustration book to share with Sister Juanita at a later date.</p>
