

There are MANY Ways to Practice My Facts:

Study facts 10 minutes EVERY night. You might try all of these ways or find one or two that work really well and stick with them!

- **FLASHCARDS:** next week I'll send a PDF of all the flashcards for your child to cut and use.
- **SING:** There are many songs for each fact on youtube
<https://www.youtube.com/user/MrsHelling3A>
 - Go to PLAYLISTS
 - Go to MULTIPLICATION SONGS
- **MOVE:** Say the facts repeatedly to a repetitive motion (bounce a ball, jump, etc.)
- **RHYTHM:** Say the multiples repeatedly to a rhythm (3,6,9, 12, etc)
- **DRAW:** "arrays" and "groups of" pictures to make a flip book for each fact & read it & say the facts to practice
- **RHyme:** Make Rhymes for tricky facts (like 2x2 is 4, shut the door!)

Apps and Programs:

This is NOT an exhaustive list, just a few good ones to get started!

- Sushi Monster (free)
- Flash to Pass (\$ version allows you to pick specific facts to study instead of having them all mixed)
- Math Slicer (free)
- Mathletics (online program)
