

3rd Grade Newsletter

Week of Sept. 8-11, 2020

Welcome to the first week of Third Grade!

It was such a pleasure to meet with all of you face to face last week! Thank you for making the time to meet with us and discuss all the ways we plan to help your child stay organized and responsible.

During this first week, we plan to spend extra time training the kids: logging in and out of Zoom, using Seesaw, accessing Google Classroom and using the Daily Checklist. These are important tools for success. Let's all be patient and encourage one another! Please email us if you have any difficulties or questions.

Email: if there are other emails you'd like to add to class communications, please let us know ASAP.

Stamina: Don't be surprised if your child feels a little wiped out by the end of this week (we'll be right there with them!) Just as we normally do while in the building, we plan to monitor and adjust our programming as we see how the kids handle classes, groupings, instruction, assignments. This will take time, so we thank you in advance for your support and patience.

Reminders...

- ✓ Charge that device!
- ✓ Be sure you are logged into Zoom using your school gmail
- ✓ Check Google Classroom
- ✓ Consider printing out your daily schedule/checklist
- ✓ Have your "classroom in a box" handy each day
- ✓ General questions can be sent to us at aaarciaga@holyrosaryws.org (3A)
emeland@holyrosaryws.org (3B)
mcorrigan@holyrosaryws.org
- ✓ Specific questions about technology can be directed at jbarker@holyrosaryws.org

SNACK TIME: Students are encouraged to use the 10:30-10:45 daily break as an opportunity to grab a snack. There are built-in bathroom/water breaks throughout the day, as well.

✓ SMILE! We love you.

Evianna B. 9/8

This week, we will be learning:

Religion: We will be reminded about God's love for us. The kids will be encouraged to include Jesus as one of their best friends ❤️ Students attend Wed. Morning school Mass with their homerooms at 8:45; please wear uniform on Mass days.

Math: Students will log into *Happy Numbers*, our math enrichment skill-building site. They will love all the engaging activities and exercises. Students will take a short pre-assessment this week.

L.A: Students complete a "paper people" project using materials provided in the zip lock baggie in the "big brown classroom in a box." We practice writing skills by sharing three clues about ourselves using adjectives and descriptive words.

Reading: We begin reading the first story in our anthology, "*A Fine, Fine School.*" Students will review the elements of story structure: setting, characters, plot

Have a great week!

—Mrs. Meland, Miss Arciaga
Ms. Corrigan

We are Safe, Respectful, Responsible Students

- We try to be a good friend to all of our classmates.
- We treat others with kindness & compassion.
- We listen to others.
- We take pride in our work.
- We do our best!
